

Raising your standards for garage storage. **Master** *Suite™*

Heavy-duty order.

Now homeowners can get what they want most in a garage – a system that provides more storage space and a strong sense of order, with a finished, custom look that complements the rest of their home. Introducing MasterSuite™ Garage Storage Systems from ClosetMaid®. Attractive, durable, flexible storage that keeps things together behind closed doors. Items such as tools and chemicals are safer and more secure. You can also include work surfaces for the hobbyist or home handyman.

Door and drawer fronts have thick rounded edge-banding to protect against impact. Adjustable shelving accommodates items of all sizes.

Units are constructed of 3/4" thick melamine, finished on both sides to resist staining and warping. Closed backs keep out humidity, dust and dirt.

Tailored to your needs.

A MasterSuite™ Garage System gives a homeowner peace of mind, knowing that everything is orderly and in its place, protected from dust, dirt and damage. The wide variety of unit sizes and styles can be tailored to individual needs, wants and budgets. Garage organization can be personalized even more with a wide variety of ClosetMaid® racks, hooks and tool holders.

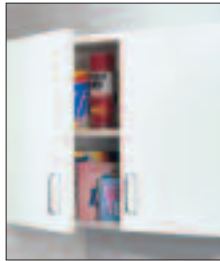

Countertop is constructed of dense 1" thick MDF that can take a real beating.

Hooks, hang-ups and other accessories are available for everything from power tools and lawn and garden supplies to sports equipment.

Quality and versatility to suit multiple storage needs.

Tall Units are available in 24" and 32" widths. Include adjustable shelves for maximum storage versatility.

Wall Cabinets are available in 24" and 32" widths. Concealed steel hinges and chrome handles are standard on all units.

Storage Units and Base Cabinets can be stacked to make maximum use of ceiling height.

24" and 32" Base Cabinets provide both drawer and enclosed shelf space.

24" Base Cabinet features four drawers with sturdy, smooth-operating steel glides.

Adjustable leveling feet make cleaning easy and keep cabinets and contents safe from water damage.

The MasterSuite™ program is also ideal for laundry and basement applications and can be combined easily with ClosetMaid® wire shelving and laundry organizing products.
